Honouring mother nature?

We are delighted to welcome into church an exhibition [Letters from the Global South](#), displaying reflections on the Climate Crisis by young Muslim children from around the world. We have begun to express our own response in art and letters composed at last Sunday's service. Do take time before or after worship to take in the exhibition.

From Global Solidarity To Local Action

7:00–9:00pm Tuesday 12th March 2024

All Saints Church Centre, 2 Vicarage Rd, Kings Heath, B14 7RA

Footsteps (Faiths for a low carbon future) is taking the opportunity of the exhibition to explore how the exhibition and the Climate and Ecology Bill can inspire local action.

[Letters from the Global South](#) is a pop-up exhibition that features letters and images created by schoolchildren and campaigners from communities around the world, particularly those vulnerable to the climate & nature crises.

[The Climate and Ecology Bill](#) is a plan for a new UK law that addresses the full extent of the climate and nature crisis in line with the most up-to-date science. The Bill is the only proposed legislation before the UK Parliament that ensures a comprehensive and joined-up approach to climate change.

The event is free, please register to receive the Zoom link:

Looking ahead to Easter Day

We have breakfast after the dawn service in the square. Anyone willing to help serve coffee, please let Lindsey and Ted know. After the 10am celebration, homemade cakes would bring much Easter joy. Again, please let Lindsey and Ted know if you can bring some.

The Revd Lynn Busfield offers these weekly opportunities for reflection:

Address: Flat 4, 28 Gracewell Road, B13 9XG

For our prayers

We pray for our Muslim neighbours, friends, colleagues and classmates as Ramadan begins on or about Sunday 10th.

Among those in our community who are unwell, we remember Wendy Turner, Roger Tyrell, Helen Fenton and Richard Sharif.
